## An Act To Implement the Recommendations of the Commission To Study the Costs of Providing Certain Services in the Unorganized Territories

**PUBLIC 541**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP-AM MAJ OTP-AM MIN	H-730

This bill implements the recommendations of the Commission to Study the Cost of Providing Certain Services in the Unorganized Territories established by Resolve 2005, chapter 125.

Part A provides authority for county commissioners to impose service fees for certain types of services provided in the unorganized territory. Service fees must be based on the actual cost of providing the service, imposed only on persons actually receiving the service and imposed on all similarly situated persons receiving the service. Revenues must be used to reduce property taxes.

Part B changes the method of assessing areas under the jurisdiction of the Maine Land Use Regulation Commission for the cost of providing services. The unorganized territory will be assessed a fee equal to .014% of state valuation. Towns and plantations under the jurisdiction of the Maine Land Use Regulation Commission will be assessed a fee equal to .025% of state valuation, reflecting a higher amount of commission activities in those areas. The commission is required to report during the First Regular Session of the 124th Legislature regarding financial matters.

Part C provides that the Commissioner of Education may not provide or reimburse parents for providing transportation for students over roads that have not been accepted by the county as public roads or that do not meet Department of Transportation standards. Reimbursement to parents for transportation of a student will not be permitted beginning in fiscal year 2008-09.

Part D requires the State Controller to establish an Unorganized Territory Education and Services Fund that is in accordance with the standards of a governmental accounting standards board as they apply to financial statements.

Part E increases the fee paid to agents collecting motor vehicle and watercraft excise taxes in the unorganized territory from \$4 to \$6.

Part F makes technical changes to update language and statutory references and repeals an obsolete provision in the laws relating to the funding of services in the unorganized territory.

### **Committee Amendment "B" (H-730)**

This amendment, which is the minority report of the committee, changes the formula for assessing the unorganized territory for services of the Maine Land Use Regulation Commission by reducing the percentage of state valuation to .013%, changes the increase in the assessment against towns and plantations to .015% and provides that a report on funding be submitted annually.

The amendment delays by one year the provisions relating to transportation and reimbursement of transportation of students.

The amendment adds a provision authorizing the county commissioners to enact an ordinance related to road construction, repair and maintenance on roads in the unorganized territory in which the county has a property interest.

## *Joint Standing Committee on Taxation*

The amendment also changes some dates to reflect implementation time frames anticipated in the bill.
