**LD 1039      Resolve, Directing the Maine Criminal Justice Academy Board of Trustees To Develop and Implement Law Enforcement Training Regarding the Determination of the Predominant Aggressor in Domestic Violence Situations**

**RESOLVE 98**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SIMPSON STRIMLING	OTP-AM	H-461

Current law requires law enforcement agencies to adopt written policies regarding procedures dealing with the domestic violence, including at a minimum a process to ensure notice to a victim of a defendant's release from jail, a process for the collection of information regarding the defendant's history and a process to relay that information to a bail commissioner before a bail determination is made and a process for the safe retrieval of personal property belonging to the victim or defendant. This bill adds one more element to the written policies for domestic violence by requiring adoption of a written policy that contains a process to evaluate and determine who is the predominant physical aggressor in a domestic violence situation.

**Committee Amendment "A" (H-461)**

This amendment replaces the bill with a resolve. The resolve directs the Board of Trustees of the Maine Criminal Justice Academy to establish and implement training regarding the determination of predominant aggressors in domestic violence situations for law enforcement officers no later than June 30, 2008. The resolve also directs the board of trustees to report its progress regarding this effort to the Joint Standing Committee on Criminal Justice and Public Safety no later than April 1, 2008.

**Enacted Law Summary**

The resolve also directs the board of trustees to report its progress regarding this effort to the Joint Standing Committee on Criminal Justice and Public Safety no later than April 1, 2008.
