Joint Standing Committee on State and Local Government

- 4. It removes the section that would have allowed an audit recovery consultant to pursue judicial action on behalf of the State.
- 5. It changes the way an audit recovery consultant is paid by setting up an audit recovery account out of which the consultant is paid.
- 6. It requires the State Controller to report to the Joint Standing Committee on Appropriations and Financial Affairs and the Joint Standing Committee on State and Local Government rather than the Legislature as a whole.
- 7. It makes rulemaking by the State Controller optional rather than mandatory.

Enacted Law Summary

Public Law 2011, chapter 21 requires the State Controller to contract with one or more consultants to conduct recovery audits of payments made by state agencies to vendors to identify payments made in error and to recommend improvements for state agency accounting. A recovery audit must be conducted at least once every ten years. The Department of Administrative and Financial Services shall establish an audit recovery account in which all recovered money shall be deposited and the consultant shall be paid by the State Controller out of that account. The State Controller shall forward the audit reports to the Governor, the State Auditor, the Joint Standing Committee on Appropriations and Financial Affairs and the Joint Standing Committee on State and Local Government on a biennial basis.

Public Law 2011, chapter 21 was enacted as an emergency measure effective April 11, 2011.

This resolution proposes to amend the Constitution of Maine to change the terms of Senators and members of the House of Representatives to four years beginning with the statewide election in 2012 and to correspondingly increase the span of a single Legislature from two to four years. It also proposes a term limit of no more than two consecutive terms.

LD 122 An Act To Change Health Care Provisions for Retired Legislators ONTP

Current law allows a person who retires from the Legislature to participate in the State's group health plan as long as that person participated for at least one year in the group health plan prior to retiring. This bill removes from eligibility for participation in the group health plan a person who retires from the Legislature after January 1, 2011 and whose only creditable service is as a member of the Legislature. A person who has other creditable service as a teacher or member of the Maine Public Employees Retirement System retains eligibility for participation in the group health plan upon retirement.
