Committee Amendment "B" (H-301)

This amendment replaces the bill with a resolve and is a minority report of the committee. The amendment directs the Commissioner of Professional and Financial Regulation to convene a working group with the Electricians' Examining Board, as well as other interested parties, to review the possible benefits and safety risks in creating a limited exception to the electrician licensing requirements for incidental work performed by persons whose occupations involve miscellaneous jobs of manual labor. The amendment requires the Commissioner of Professional and Financial Regulation to submit a report no later than January 15, 2012 following the review by the working group to the Joint Standing Committee on Labor, Commerce, Research and Economic Development.
