**LD 1200      An Act To Authorize the Health Care Choice Compact To Permit the Purchase of Health Insurance from New Hampshire      ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MCKANE SNOWE-MELLO	ONTP	

This bill authorizes the Health Care Choice Compact with New Hampshire pursuant to the federal Patient Protection and Affordable Care Act to allow insurers and health maintenance organizations authorized to transact individual health insurance in New Hampshire to offer their individual health plans for sale in this State. The bill requires New Hampshire insurers and health maintenance organizations to meet certain requirements of Maine law, including requirements for rating, provider network adequacy, disclosure, reporting and grievance procedures. The bill provides that the Health Care Choice Compact becomes effective and binding upon the approval of the Secretary of the United States Department of Health and Human Services after legislative enactment in New Hampshire and this State except that individual health insurance policies, contracts and certificates may not be offered for sale pursuant to the compact before January 1, 2016.

While LD 1200 was voted "Ought Not to Pass", a related substantive provision permitting insurers authorized to transact individual health insurance in Connecticut, Massachusetts, New Hampshire or Rhode Island to offer health plans in Maine under certain conditions was included in LD 1333, An Act to Modify Rating Practices for Individual and Small Group Health Plans and to Encourage Value-based Purchasing of Health Care Services. See LD 1333, which was enacted as Public Law 2011, chapter 90.
