LD 9 An Act To Retain Call Centers in Maine

**Accepted Majority
(ONTP) Report**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SHORT PATRICK	ONTP OTP-AM	

This bill requires employers that intend to relocate a call center, or a facility or operating unit handling at least 30% of call volume within a call center, from Maine to a foreign country to notify the Commissioner of Labor at least 60 days before the relocation. The Commissioner is required to create a list of these employers, and to update it twice a year. An employer appearing on the list is ineligible for a state grant, loan or tax benefit for two years; however, the Commissioner may allow exceptions for employers that demonstrate that the lack of the grant, loan or tax benefit would result in substantial job loss in the State or harm the environment. The bill also contains a clawback provision that requires an employer on the Commissioner's list to pay back the unamortized value of a direct or indirect state grant, loan or tax benefit previously issued to such an employer. If an employer fails to notify the Commissioner of Labor of the relocation of a call center at least 60 days before the relocation, a fine of \$350 per day may be assessed. The Commissioner may reduce the fine amount for just cause shown.

The bill also requires that call center work for executive branch agencies of the State be performed in the State. Employers that have an existing contract with the State, and that use call centers outside of Maine to do the work for that contract, will have a two-year window to comply with the provisions of the bill.
