LD 565 **An Act To Authorize Municipalities To Impose Service Charges on Tax-exempt Property Owned by Certain Nonprofit Organizations** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LOCKMAN GRATWICK	ONTP	

This bill authorizes a municipality to impose service charges on property that is exempt from property tax because it is owned and used by entities in the following categories: benevolent and charitable institutions; literary and scientific institutions; chambers of commerce and boards of trade; fraternal organizations operating under a lodge system; and property jointly owned or used by those entities. Service charges may not be imposed on property exempt as a house of worship or parsonage or a veterans' organization.

Service charges may only be imposed if:

1. The property is owned by an entity that owns exempt property in the municipality that would have a total assessed value of at least \$1,000,000 if assessed for property tax purposes;
2. The property is owned by, rented to or otherwise occupied by a person or entity that provides any employee or independent contractor providing professional management services with compensation, exclusive of health benefits, in excess of four times the median household income for the county in which the property is located;
3. The municipality adopts by referendum an ordinance imposing service charges;
4. The municipality imposes service charges on all other property in that municipality that is within the same category of exempt property;
5. The calculation of service charges imposed by municipalities is based on the square footage of building space that is exempt from taxation unless the municipality determines that a different measure more accurately represents the cost of services for which the service charges are imposed; and
6. Service charges must be reduced by any payments made or services provided to the municipality by the exempt entity in lieu of taxes.

The bill provides that municipal ordinances adopted before the effective date of the legislation remain valid even if they do not comply with the new requirements. The bill retains the requirement in current law that service charges may not exceed two percent of the entity's gross annual revenue.

LD 575 **An Act To Provide Property Tax Relief to Maine's Working Families** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MAREAN LIBBY	ONTP	

This bill increases the Maine resident homestead property tax exemption from \$10,000 to \$20,000. In order to offset the increased cost to the State of reimbursing municipalities for the revenue loss attributable to the increase in the homestead exemption, this bill also extends the sales and use tax to amusement, entertainment and recreation services, such as admission fees to entertainment venues and performances, including movies, theaters and
