Committee Amendment "A" (H-207)

This amendment is the majority report of the Joint Standing Committee on Education and Cultural Affairs. The amendment removes the provision in the bill that prohibits a school board from prohibiting possession of medical marijuana and instead provides that a parent, guardian or other person designated as a primary caregiver for a minor child certified for the medical use of marijuana may possess and administer marijuana in a nonsmokeable form to that child in a school bus or on the grounds of a preschool or primary or secondary school.

Senate Amendment "A" To Committee Amendment "A" (S-148)

This amendment amends Committee Amendment "A" to strike and replace the provision in the bill that provides that a child upon a recommendation from the child's health care provider may not be denied eligibility to attend school solely because the child requires medical marijuana in a nonsmokeable form as a reasonable accommodation necessary for the child to attend school.

This amendment provides that a child who holds a written certification for the use of medical marijuana from a medical provider under the Maine Medical Use of Marijuana Act may not be denied eligibility to attend school solely because the child requires medical marijuana in a nonsmokeable form as a reasonable accommodation necessary for the child to attend school.

This amendment retains the provisions in Committee Amendment "A" concerning the possession and administering of marijuana in a nonsmokeable form by a parent, guardian or other primary caregiver.

Enacted Law Summary

Public Law 2015, chapter 369 provides that a child who holds a written certification for the use of medical marijuana from a medical provider under the Maine Medical Use of Marijuana Act may not be denied eligibility to attend school solely because the child requires medical marijuana in a nonsmokeable form as a reasonable accommodation necessary for the child to attend school. This law also provides that a parent, guardian or other person designated as a primary caregiver for a minor child certified for the medical use of marijuana may possess and administer marijuana in a nonsmokeable form to that child in a school bus or on the grounds of a preschool or primary or secondary school.
