This bill prohibits a person from intentionally displaying, distributing or offering a photograph, videotape, film or digital recording of another person in a state of nudity or engaged in a sexual act if that person knows or should have known that the depicted person is 18 years of age or older, is identifiable and has not consented to the disclosure. A violation of this prohibition is a Class D crime.

This amendment provides a new title and replaces the bill. Like the bill, the amendment prohibits unauthorized distribution of certain private images, but changes the term "distribution" to "dissemination," adds as elements of the crime the dissemination's being done with the intent to harass, torment or threaten the depicted person or another person, knowingly instead of intentionally and in a manner in which there is no public or newsworthy purpose and adds masturbation to the definition of "sexual act." The amendment amends the law on protection from abuse
