Resolve, To Increase Recycling in Maine through Increased Composting and Energy Recovery from Organic Wastes

ONTP

Sponsor(s)	Committee Report	Amendments Adopted
WELSH SAVIELLO	ONTP	

This resolve requires the Department of Environmental Protection, with input from stakeholders, to develop a comprehensive strategy to encourage composting and energy recovery from food waste and other organic wastes. It also requires the department to submit the strategy and related recommendations to the Joint Standing Committee on Environment and Natural Resources by January 15, 2016.

LD 680 An Act To Reduce Waste from Disposable Bags

Accepted Majority (ONTP) Report

Sponsor(s)	Committee Report	Amendments Adopted
RYKERSON	ONTP	
	OTP-AM	

This bill requires a retailer to assess a 5¢ fee for a single-use disposable plastic or kraft paper bag distributed to a customer at the point of retail sale. The retailer retains 1¢ from each 5¢ fee for administrative costs and may elect to retain an additional 1¢ from each 5¢ fee to provide a carryout program that credits a customer no less than 5¢ for each bag provided by the customer at the point of retail sale for packaging purchases. The revenues from the fee, less the portion retained by the retailer for administrative costs and, if applicable, the carryout program, are credited to the Plastics and Paper Recycling Fund administered by the Department of Environmental Protection for the purpose of promoting recycling efforts in the State related to plastics and paper. A retailer must provide reusable bags for purchase by customers. This bill authorizes the Department of Environmental Protection to enforce these laws and impose penalties for violations. This bill also directs that, by January 1, 2016, the Department of Environmental Protection must conduct a public information campaign relating to plastics and paper and their impact on the environment and must implement an outreach campaign aimed at providing reusable bags to residents of the State, especially to elderly and low-income households.

Committee Amendment "A" (H-84)

This amendment, which is the minority report of the committee, adds an appropriations and allocations section.
