Under the current law, a person who receives or is scheduled to receive remuneration in the form of vacation pay in excess of four weeks' wages or holiday pay is disqualified from receiving unemployment benefits for the week that remuneration is due. This bill removes those disqualifications.

Committee Amendment "A" (H-215)

This amendment, which is the majority report of the committee, retains the offset eliminated in the bill for unemployment compensation benefits for holiday pay and vacation pay as specified in current law, but limits the offset for vacation pay to vacation pay in excess of 12 weeks instead of four weeks as under current law. The amendment also adds an appropriations and allocations section.
