**LD 838 An Act To Enhance Equity and Efficiency for Off-track Betting
Facilities** **PUBLIC 200**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PICCHIOTTI	OTP-AM	H-206

This bill adjusts the distribution of commissions on simulcasting of races with commingled pools originating at a racetrack in another state by an off-track betting facility without reducing the portion of those revenues that benefit the State. In addition, the bill eliminates the off-track betting facility simulcast fund share received by a commercial track whose parent company is owned or operated or owned and operated by a casino in this State. The bill also modifies the requirement that an off-track betting facility operator be a liquor license holder, but maintains the requirement that an off-track betting facility be situated in a facility that is licensed to serve liquor and food. The bill also eliminates the requirement for at least 150 race dates in the preceding two calendar years before interstate simulcasting or the licensing of an off-track betting facility is allowed.

Committee Amendment "A" (H-206)

This amendment changes the definition in the bill of "net commission" to reduce the reduction for amount wagered from 6.5% to 4%. The amendment removes the section in the bill that provides an exception to the requirement that an off-track betting licensee must also have a liquor license. The amendment also strikes the provision of the bill that eliminates payments of the off-track betting facility simulcast fund share to a commercial track whose parent company operates a casino in the State.

Enacted Law Summary

Public Law 2015, chapter 200 establishes a definition of "net commission" as it applies to how wagers are distributed by those licensed by the Harness Racing Commission to accept wagers on horse racing. Net commission is defined as the total commission less 4% of the amount wagered on a race. Chapter 200 adjusts the distribution of commissions on simulcasting of races with commingled pools originating at a racetrack in another state by an off-track betting facility. This law also eliminates the requirement for at least 150 race dates in the preceding two calendar years before interstate simulcasting or the licensing of an off-track betting facility is allowed.
