manufacture malt liquor or wine.

Enacted Law Summary

Public Law 2015, chapter 386 authorizes any person licensed as a manufacturer of malt liquor or wine by the Department of Administrative and Financial Services, Bureau of Alcoholic Beverages and Lottery Operations to give a retail licensee samples of malt liquor and wine.

LD 1462

An Act Regarding the Sale of Alcohol by a Manufacturer with an On-premises Retail License

Died Between Houses

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SAVIELLO T	ONTP OTP-AM	S-355

Current law allows a manufacturer of spirits, wine or malt liquor that obtains a retail license to sell the manufacturer's products as well as other liquor on the premises of that manufacturer.

This bill allows a manufacturer with a retail license to also sell its products for consumption off the premises of that manufacturer without the licensed premises being physically separated for on-premises and off-premises sales and without physically separating the inventory, as long as adequate records are maintained. This bill also allows breweries, small breweries, wineries, small wineries, distilleries or small distilleries under common ownership to transfer products from one premises to another and sell or serve those transferred products.

Committee Amendment "A" (S-355)

This amendment replaces the bill. This amendment clarifies existing law that permits a person that is licensed to manufacture malt liquor, wine or spirits at a facility in the State to sell the product that person produces from the manufacturing facility for off-premises consumption without having to get a separate off-premises retail license.

The amendment specifies that the location of the manufacturing facility where off-premises sales of the manufacturer's product occur is not required to be accessed by a separate entrance from the area of the facility that is licensed to serve alcoholic beverages for on-premises consumption.

The amendment clarifies that distilleries and small distilleries are subject to the existing law that requires spirits sold at retail to first be listed for sale and distributed by the State.

Finally, the amendment adds a provision reflecting federal law that permits a manufacturer who manufactures at multiple licensed locations to transport the manufacturer's own product between those locations.

LD 1466 An Act Regarding Sales Representatives Employed by Licensed Wholesalers

PUBLIC 387

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PATRICK J LUCHINI L		S-357

This bill exempts from licensing by the Department of Administrative and Financial Services, Bureau of Alcoholic Beverages and Lottery Operations a sales representative who is employed by a distributor and who does not participate in product sampling or tasting events with the public.
