through the project. LD 1501 An Act To Amend the Law Regarding Disqualification for Unemployment Benefits during Stoppages of Work Died Between Houses

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
STETKIS J CUSHING A	ONTP OTP-AM	

This bill removes the provision of law affecting the disqualification for unemployment benefits of employees at an establishment at which there is a labor dispute and at which there would have been a work stoppage but for the employer's maintaining substantially normal operations through the use of other personnel.

Committee Amendment "A" (H-533)

This amendment is the minority report of the committee. This amendment changes the bill by broadening the disqualification from unemployment benefits in current law for unemployment that is due to a stoppage of work caused by a labor dispute by eliminating the requirement that there is a stoppage of work. Instead, under the amendment, unemployment that is due to a labor dispute is sufficient grounds for a denial of benefits. The amendment also updates the language of the exceptions in current law to this disqualification to reflect the elimination of the stoppage of work requirement.

LD 1514 An Act To Conform Maine Law to the Requirements of the American Dental Association Commission on Dental Accreditation Veto Sustained

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SIROCKI H BURNS D	OTP-AM OTP-AM	H-593 S-524 BURNS D

This bill amends the professional licensing laws governing dental hygiene therapists in several ways.

1. It specifies that an applicant for a dental hygiene therapy license must possess a Bachelor of Science degree or higher from a dental hygiene therapy program that is accredited by either the American Dental Association Commission on Dental Accreditation or a successor organization or that meets the requirements for a dental hygiene therapy education program adopted by the Board of Dental Examiners.
2. It eliminates requirements that dental hygiene therapy education programs be a minimum of four semesters in duration, be consistent with a specified model curriculum and be consistent with programs in other states.
3. It eliminates the requirement that an applicant for a dental hygiene therapy license hold an associate degree in dental hygiene before entering a dental therapy education program.
4. It provides for licensure by endorsement of a dental hygiene therapist who graduates from a dental hygiene therapy education program, is licensed to practice as a dental hygiene therapist in another state and engages in active clinical practice for at least three years prior to applying for a license in this State.
