Joint Standing Committee on Labor, Commerce, Research and Economic Development

LD 65 An Act To Ensure the Right To Work without Payment of Dues or Fees to a Labor Union as a Condition of Employment Accepted Majority (ONTP) Report

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LOCKMAN L CUSHING A	ONTP OTP-AM	

This bill prohibits a person, either in the public or private sector, from being required to join a labor organization or pay any labor organization dues or fees as a condition of employment or continuation of employment, notwithstanding any state law to the contrary. A violation is a Class D crime and is also subject to civil damages and injunctive relief. The Attorney General is responsible for enforcement and is required to prosecute all violations.

Committee Amendment "A" (H-466)

This amendment provides funding for one part-time Assistant Attorney General position and one part-time Detective position to investigate and prosecute violations concerning the right to refrain from joining a union.

This amendment was not adopted.

LD 66 An Act To Prohibit Public Employers from Acting as Collection Agents for Labor Unions Accepted Majority (ONTP) Report

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LOCKMAN L DAVIS P	ONTP OTP	

This bill prohibits a public employer from collecting service fees or member dues owed by an employee to a collective bargaining agent pursuant to a lawful collective bargaining agreement. Current law expressly allows a public employer to take this deduction without signed authorization from the public employee. This bill also eliminates language from the election statutes that exempts a public employer from the Class C crime of misuse of a state government computer system for deducting dues or other funds from an employee's pay and remitting those funds to the employee's collective bargaining agent.

LD 67 An Act To Improve Insurance Coverage for First Responders Answering a Call to Duty Accepted Minority (ONTP) Report

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DEVIN M BREEN C	OTP-AM ONTP	

This bill creates a rebuttable presumption that a personal injury to a paid or volunteer firefighter or a paid or volunteer emergency medical services person considered an employee within the meaning of the Maine Workers' Compensation Act of 1992 is considered to arise out of and in the course of employment and is compensable under the Act if the personal injury occurs at any time after the firefighter or emergency medical services person receives notice of a fire or emergency and is in the process of responding. It also prohibits an insurer or employer providing self-insurance from limiting benefits for such emergency first responders to personal injuries that occur after the emergency first responder begins travelling on a public way.
