LD 92 An Act To Require a Person Who Provides Illegal Drugs To Give Medical Aid to Another Person in Medical Distress Due to That Illegal Drug Transaction

Accepted Majority (ONTP) Report

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CYRWAY S ALLEY R	ONTP OTP-AM	

This bill requires a person who provides an illegal substance to an individual that causes that individual serious or life-threatening medical distress to provide first aid and assistance to that individual and seek assistance from a medical professional, first responder or law enforcement officer. A person who renders first aid is not civilly liable for damages or death caused as a result of rendering that aid unless it is done in a grossly negligent manner. Criminal liability is not waived. Failure to provide first aid and assistance is a Class C crime.

Committee Amendment "A" (S-19)

This amendment is the minority report of the committee. The amendment replaces the bill and changes the title. The amendment provides that in using a sentencing alternative involving a term of imprisonment for a person convicted of unlawful furnishing of a scheduled drug in which death was in fact caused by the use of the scheduled drug or unlawful trafficking in a scheduled drug in which death was in fact caused by the use of the scheduled drug, a court must assign special weight to this objective fact in determining the basic term of imprisonment as the first step in the sentencing process.

This amendment was not adopted.

LD 94 An Act To Provide a Source of Funding for Drug Abuse Resistance Education

Accepted Majority (ONTP) Report

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CYRWAY S NADEAU C	ONTP OTP-AM	

This bill requires that the funds generated by forfeited firearms that are auctioned to federally licensed firearms dealers or the public be used to fund educational programs taught by law enforcement officers that target prevention of substance abuse, violence or high-risk behavior and teach students good decision-making skills to help them lead safe and healthy lives. These educational programs are known as the Drug Abuse Resistance Education program.
