Joint Standing Committee on Transportation

restrictions imposed on temporary signs placed within a public right-of-way.

Committee Amendment "A" (H-111)

This amendment replaces the bill, which was a concept draft. The amendment increases the amount of time a temporary sign may be placed in the public right-of-way from a maximum of six weeks per calendar year to a maximum of 12 weeks per calendar year. The amendment clarifies that temporary signs within the public right-of-way must include or be marked with the name and address of the individual, entity or organization that placed the sign within the public right-of-way and the date the sign was erected within the public right-of-way.

This bill was reported out of committee and then recommitted to the committee; it was then carried over to any special or regular session of the 128th Legislature by joint order, H.P. 1138.
