**LD 349      An Act To Facilitate the Recycling of Discarded Mattresses      Veto Sustained**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SAVIELLO T	OTP-AM ONTP	S-58

This bill provides for the establishment of a new stewardship program in the State for discarded mattresses. Under the bill, a producer of mattresses, or an organization comprising one or more producers of mattresses, submits a plan for the establishment of a mattress stewardship program to the Commissioner of Environmental Protection for approval. Once approved, a program operates to provide convenient, free statewide collection opportunities for discarded mattresses, and discarded mattresses collected through the program are recycled or otherwise responsibly managed. A program is funded through the imposition of a mattress stewardship assessment, subject to review and approval by the commissioner, which is added to the purchase price of all mattresses sold in the State.

**Committee Amendment "A" (S-58)**

This amendment, which is the majority report of the committee, replaces the bill, changes the title and applies, starting January 1, 2018 and ending December 31, 2021, a recycling fee of \$5 on each mattress sold at retail in the State. This mattress recycling fee is to be deposited in the Mattress Recycling Grant Fund to support the Mattress Recycling Grant Program, which are both established in the amendment. Revenue in the Mattress Recycling Grant Fund is to be used by the Department of Environmental Protection to provide grants under the Mattress Recycling Grant Program to public and private entities demonstrating that a proposed program, project, initiative or activity is likely to increase the recycling and diversion from disposal of discarded mattresses within a particular community, municipality or region or the State. These provisions are repealed December 31, 2022. The amendment also adds an appropriations and allocations section.
