Joint Standing Committee on Agriculture, Conservation and Forestry

This bill requires research facilities that receive public funding to offer for adoption cats and dogs used for science, testing, education or research purposes when the cats and dogs are no longer needed for those purposes instead of euthanizing them. Adoption of the cats and dogs may be through an animal shelter, animal rescue organization or private placement.

**Accepted Majority
(ONTP) Report**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MONAGHAN K VITELLI E	ONTP OTP-AM	

This bill prohibits the use of elephants as performers in traveling animal acts, effective January 1, 2018.

Committee Amendment "A" (H-122)

This amendment replaces the bill and is the minority report of the committee. It prohibits the Commissioner of Inland Fisheries and Wildlife from issuing a permit to a person to import or possess an elephant in the State unless the elephant will be placed in a protective environment in which it will have the opportunity to behave as naturally as possible. A person importing or possessing an elephant may not allow the elephant to participate in any exhibition, public showing, presentation, display, exposition, fair, animal act, amusement show, circus, trade show, petting zoo, carnival, parade, race or similar undertaking in which the elephant is required to perform tricks, give rides or participate as accompaniment for the entertainment or amusement or for the benefit of an audience.

The amendment also provides an exception for elephant importations through January 1, 2020, for a person that imports an elephant to participate in a traveling circus to raise funds for a charity if that traveling circus lawfully operated in the State with an elephant to raise funds for a charity in 2016 and as long as the elephant is not permitted to remain in the State after January 1, 2020, unless it is in a protective environment in which it will have the opportunity to behave as naturally as possible.

This amendment was not adopted.
