### LD 643 Resolve, Directing the Department of Health and Human Services To Increase Reimbursement Rates for Home-based and Community-based Services

**CARRIED OVER** 

| Sponsor(s) | Committee Report | Amendments Adopted |
|------------|------------------|--------------------|
| ESPLING E  | OTP-AM           | Н-176              |

This resolve directs the Department of Health and Human Services to increase reimbursement rates for home-based care services consistent with the recommendations made by Burns & Associates, Inc. in its report "Rate Review for Personal Care and Related Services: Final Rate Models" dated February 1, 2016. The first half of this increase was ratified by the 127th Legislature through Public Law 2015, chapter 267.

#### Committee Amendment "A" (H-176)

This amendment clarifies that all home-based and community-based services that were included in the Burns & Associates, Inc. rate review are included in the resolve and that the reimbursement rates are to be increased to the levels recommended in the rate study. The amendment ensures that a recipient of services may not experience a reduction in hours solely as a result of increased reimbursement. The amendment also adds an appropriations and allocations section.

Public Law 2017, chapter 284, the biennial budget, included funding to increase reimbursement rates for services included in the Burns & Associates, Inc. rate review. It also included language preventing any recipient from resulting in a reduction in hours solely as a result of increased reimbursement.

This bill was reported out of committee and then carried over to the next special or regular session of the 128th Legislature on the Special Appropriations Table by joint order, S.P. 601.
