LD 724 An Act To Amend the Laws Governing the State's Rail Authority Died Between Houses

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LIBBY N GOLDEN J	OTP-AM ONTP	

This bill transfers the budget approval authority for the Northern New England Passenger Rail Authority from the Department of Transportation to the Legislature. It requires the authority to present its annual report to a joint meeting of the joint standing committee of the Legislature having jurisdiction over transportation matters and the joint standing committee of the Legislature having jurisdiction over appropriations and financial affairs. It also requires the authority to hold timely and appropriate forums for public input and vetting of significant projects throughout the project selection, design and implementation processes. Finally, the bill directs the passenger rail advisory council within the Department of Transportation to meet four times a year and to serve as a public forum for input on passenger rail planning and provide the public with updates on the operational, capital and financial structure of passenger and freight railroad operations in the State.

Committee Amendment "A" (S-42)

This amendment places the Passenger Rail Advisory Council, established in the bill, in a different section of the Maine Revised Statutes, Title 23; provides more detail about membership, staff and number of meetings; and removes freight rail operations from the council's oversight. Unlike the bill, the amendment requires no changes in the annual reporting by the Northern New England Passenger Rail Authority to the Legislative Council or to the Commissioner of Transportation.

This amendment was not adopted.
