LD 864 An Act To Provide for a Statewide Contract for School Teachers Died Between Houses

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
POULIOT M LANGLEY B	ONTP OTP-AM	

This bill provides for statewide collective bargaining for teachers beginning January 1, 2021. The bill directs the Department of Administrative and Financial Services to develop a plan to implement statewide collective bargaining for teachers and requires that the plan be designed to permit school administrative units to maintain local control and direction of teacher employment; to include for all public school teachers a uniform compensation system that is based upon performance results that are competitive and fair throughout the State; and to maximize opportunities for certain economies of scale through the statewide negotiation of teachers' benefits, including, but not limited to, health insurance. The department is directed to submit its plan, together with proposed implementing legislation, for introduction to the Second Regular Session of the 128th Legislature.

Committee Amendment "A" (H-496)

This amendment, which is the minority report of the committee, strikes and replaces the bill and changes the title. The amendment authorizes the State, upon the request of a school administrative unit, to act as the employer of employees of that school administrative unit, other than administrators, for the purpose of negotiating a contract for standard salary and standard benefits for these employees. Costs resulting from such bargaining agreements are the responsibility of the State and if funding is not approved, those cost items must be renegotiated. The authority for such negotiations is repealed 90 days after the adjournment of the First Regular Session of the 129th Legislature.

This amendment also requires regional school units to meet certain annual targets for the percentage share of total General Fund expenditures for direct instruction expenditures.
