*Joint Select Committee on Marijuana Legalization Implementation*

**LD 855      An Act To Protect Children from Edible Cannabis Products**

**CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HAMANN S		

This bill amends the Marijuana Legalization Act to require the state licensing authority to develop rules that prohibit the manufacture, distribution and sale of edible retail marijuana products in packaging or shapes that appeal to children. Under current law, the possession of any edible retail marijuana product is prohibited until February 1, 2018, so the effective date of this legislation is delayed until then.

This bill was carried over to any special or regular session of the 128th Legislature by joint order, H.P. 1138.

**LD 938      An Act To Harmonize Provisions of "An Act To Legalize Marijuana"  
with Related Provisions of the Maine Medical Use of Marijuana Act**

**CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HAMANN S		

This bill is a concept draft pursuant to Joint Rule 208.

It proposes to harmonize certain public health provisions applicable to the medical and adult recreational use of marijuana, including, but not limited to, laboratory testing of product, product labeling requirements, child-safe packaging requirements and inspection requirements. This bill would require that registered dispensaries and registered caregivers in the Maine medical use of marijuana program comply with the testing requirements that apply to adult recreational sales of marijuana.

This bill was carried over to any special or regular session of the 128th Legislature by joint order, H.P. 1138.

**LD 1197      An Act to Support Substance Use Disorder Prevention, Treatment and  
Recovery**

**CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BEEBE-CENTER P MAKER J		

This bill establishes the Fund for Substance Use Disorder Prevention, Treatment and Recovery and funds it by requiring 10% of the tax revenue from the retail sale of marijuana and marijuana products to be deposited in the fund. The fund is used for substance use disorder prevention, recovery and treatment programs administered by the Department of Health and Human Services and the Maine Center for Disease Control and Prevention. This bill specifies that the additional funding for existing programs for substance use disorder, treatment and recovery is intended to supplement, not supplant, funding appropriated for those purposes.

This bill was carried over to any special or regular session of the 128th Legislature by joint order, H.P. 1138.
