In addition to any substantive changes to the uniform act that may be adopted by the Legislature, the basic numbering system, the mechanical structure and the internal organization of the law recommended by the National Conference of Commissioners on Uniform State Laws will be altered to conform to the numbering, structure and organization of the Maine Revised Statutes.

This bill was originally referred to the Health and Human Services Committee, which reported the bill with a recommendation that it be re-referred to the Labor, Commerce Research and Economic Development Committee; the bill was so referred. This bill was then carried over to any special or regular session of the 128th Legislature by joint order, H.P. 1138.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JORGENSEN E DION M	OTP-AM ONTP	H-209 S-330 HAMPER J

This bill establishes the Housing First Assistance Program. The program is established in and administered by the Maine State Housing Authority. The authority is required to work with emergency shelters and other crisis responders in the neediest areas of the State to provide permanent housing and support services for chronically homeless individuals and families and to homeless individuals addicted to opiates. The program must meet the core elements for a "Housing First" program as delineated by the United States Interagency Council on Homelessness, including not disqualifying or evicting a resident due to alcohol or substance abuse, a criminal record, poor financial history or lack of an income. The authority may contract with outside entities to operate the housing units and award grants to those entities under a competitive bid process.
