Committee Report

Amendments Adopted

This bill is presented in response to the United States District Court decision in Woodhouse, et al. v. Maine Commission on Governmental Ethics and Election Practices, et al., United States District Court, District of Maine, Docket No. 1:14-CV-266-DBH.

The bill provides that contributions received by a candidate for a primary election must be segregated from those received for the general election. The bill allows a candidate who is unopposed in a primary election to use in the general election primary election contributions received prior to the deadline by which primary candidates must submit petitions to take part in a primary election. Contributions carried forward from the primary election to the general election are subject to the dollar limits that apply to contributions made to a candidate by a single donor. The bill permits a candidate who defeats a primary opponent to carry forward to the general election unspent contributions received for the primary election. Regardless of whether the candidate was opposed in a primary election, if the sum of a primary election contribution and a general election contribution from the same donor exceeds contribution limits, the candidate must return at least the excess amount to the donor.

The bill specifies that contributions received for the purpose of supporting a candidate in a primary election may not be used primarily to support the candidate's general election campaign.

The bill repeals the limit of \$25,000 per calendar year on an individual's aggregate contributions to all political candidates.

Finally, the bill also makes technical, cross-reference changes.

Amendments Adopted

This bill allows for municipalities to conduct early voting in person during the same period as absentee voting. Early voting takes place in the municipal offices with the same requirements and restrictions for polling places, voting booths, ballot boxes and ballot challenges as for regular voting. At the end of early voting, the municipal clerk delivers the sealed ballot boxes to the polling place as presently required by law.
