LD 1156 An Act To Address Administrative Shortages in Maine Schools by ONTP
Amending the Law Regarding the Salaries of Retired Public School
Administrators Who Return to Service

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LANGLEY B KORNFIELD T	ONTP	

This bill amends provisions regarding compensation and length of service of retired public school administrators who return to service by requiring for the first year of the return to service 100% of the compensation established for the position to be filled and for the subsequent four years annually reducing the compensation incrementally until compensation is 75% of the compensation established for the position to be filled. Current law sets the compensation at 75% of the compensation established for the position filled.

LD 1158 An Act To Remove the Limit on the Number of Public Charter Schools Accepted Majority
That May Be Approved (ONTP) Report

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MASON G POULIOT M	ONTP OTP-AM	

This bill repeals the provision of law that requires the Maine Charter School Commission to limit the number of schools approved for the public charter school program.

Committee Amendment "A" (S-217)

This amendment, which is the minority report of the committee, replaces the bill and changes the title. The bill removes the limit on the number of public charter schools that may be approved. Under current law there is a 10-year transition period during which the Maine Charter School Commission may approve only 10 public charter schools. Once the cap is reached, the Commissioner of Education may not accept further registrations from the commission until the provision is repealed on July 1, 2022.

The amendment provides that, once the 10-school limit is reached, the commission may approve no more than one additional charter school each school year through the end of the 2021-2022 school year. This change does not affect the authority under current law for local school boards and collaboratives of local school boards to approve charters until the end of the 10-year transition period.

This amendment was not adopted.

LD 1160 Resolve, To Require a Study of Wages and Working Conditions for ONTP
Child Development Educators and Staff

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MILLETT R FARNSWORTH R	ONTP	

This resolve requires the Child Development Services System to examine the working conditions and wages paid to individuals who provide early intervention or special education services in school administrative units and compare those working conditions and wages to those of persons in similar positions in the private sector and in elementary
