**LD 1193      An Act To Ensure the Cost-efficiency of Contracting out Services by the State      ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WARREN C MIRAMANT D	ONTP	

This bill establishes a process for the review of privatization contracts, which are defined as agreements with a term of no more than five years by which a nongovernmental person or entity agrees to provide services valued at \$200,000 or more, which are substantially similar to and in lieu of services previously provided in whole or in part by state agency employees. Under this process, the State Auditor is given 30 days from the date that the agency designates the bidder to which it proposes to award the privatization contract to object to, and thereby invalidate, the proposed contract for failure to comply with statutory requirements. The State Auditor is also authorized to seek a review by the Office of Program Evaluation and Government Accountability of any privatization contract.

**LD 1213      An Act To Protect Taxpayers in the Privatization of State Services      Died Between Houses**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BELLOWS S BLUME L	OTP-AM ONTP	

This bill creates a process by which a state agency can enter a privatization contract with a nongovernmental entity to perform basic agency services for up to five years if a number of criteria are met, including:

1. Wages and benefits for employees of the contractor are comparable to state employees performing the same services;
2. The contractor endeavors to hire agency employees terminated due to the privatization;
3. The agency provides an estimate of its costs in providing the subject services in the most efficient manner;
4. The agency provides support and resources to allow agency employees to submit a competing bid to provide the privatized services;
5. The agency considers as a contract cost any income tax revenue lost to the State as a result of services to be performed out of state under the contract; and
6. A review by the State Auditor to determine that all of the requirements of the bidding and privatization contract have been met.

**Committee Amendment "A" (S-289)**

This amendment is the majority report of the committee. The amendment requires the Attorney General, rather than the State Auditor, to conduct the review of privatization contracts specified in the bill. The amendment identifies the rules authorized to be adopted as routine technical rules.

This amendment was not adopted.
