LD 1294 Resolve, To Convene a Study Group To Study Proficiency in Content Areas for Secondary School Graduation Standards ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DILL J TIPPING R	ONTP	

This resolve directs the Commissioner of Education to convene a study group with various interested parties and stakeholders to determine baseline proficiency standards for the eight content areas under the parameters for essential instruction and graduation requirements that represent a midpoint between current eighth grade standards of proficiency and secondary school graduation standards of proficiency. Current law requires for the graduating class of 2024-2025 full proficiency in all eight content areas in order to graduate from secondary school. This resolve directs the Commissioner of Education to draft recommended legislation to require full proficiency in six of the content areas chosen at the student's discretion and baseline proficiencies in the remaining two content areas as requirements to graduate from secondary school for the 2024-2025 school year.
