person, the notary public or other authorized person is required to sign the notarial certificate in the presence of the circulator. It also requires the notary public or other authorized person to maintain a log of the petitions for which the notary public or other authorized person administered the circulator's oath.

Chapter 277 provides that a notary public or other authorized person is prohibited from notarizing a petition for a direct initiative or people's veto if the notary public or other authorized person is employed or compensated by a petition organization or ballot question committee for any purpose other than providing notarial acts.

Finally, the law directs the Secretary of State to establish a method to facilitate the acceptance of such reports from members of the public.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SUTTON P	ONTP	

This bill requires the Secretary of State to submit the ballot question for a pending citizen initiative of legislation to the Legislative Council for the council's review and approval. If the council does not approve the ballot question, the Secretary of State is required to revise the question and submit the revised question to the council for its review and approval.

LD 1357 An Act To Authorize Multiparty Candidate Nominations for State Offices ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BRAKEY E	ONTP	

This bill allows a candidate to be nominated for a state office by more than one party. LD 1368 An Act To Amend Funding Distributions under the Maine Clean Election Act ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PICKETT R WHITTEMORE R	ONTP	

This bill changes funding distributions under the Maine Clean Election Act. It removes the changes made to funding distributions in Initiated Bill 2015, chapter 1. It restores the method of funding distributions that was in law prior to enactment of Initiated Bill 2015, chapter 1, which required the Commission on Governmental Ethics and Election Practices to determine the funding amount at least every two years and set a specific distribution for gubernatorial elections. It differs from the method of funding distributions in law prior to enactment of the initiated bill by limiting the information the commission may consider in making a determination. It also eliminates supplemental fund distributions.
