<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JACKSON T	ONTP	

This bill authorizes public employees to authorize payroll deductions for the cost of insurance or an employee benefit offered by the employee's bargaining agent or for a contribution to a political action committee. The bill requires public employers to deduct funds from a public employee's pay as authorized by the employee and transmit those funds to the specified recipient.

LD 1409 **An Act To Reduce Regulations for Small Nonalcoholic Beverage Producers** **PUBLIC 113
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CHIPMAN B	OTP-AM	S-110

This bill allows small nonalcoholic beverage producers that manufacture or bottle no more than 50,000 gallons of beverages a year to clean and sanitize reusable beverage containers by washing by hand and bottle and carbonate the containers by hand as long as all other statutory cleaning and sanitizing requirements for beverage manufacturing and bottling plants are met.

Committee Amendment "A" (S-110)

This amendment adds an emergency preamble and emergency clause to the bill. Unlike the bill, which applies to producers that manufacture or bottle no more than 50,000 gallons of beverages annually, the amendment gives small nonalcoholic beverage producers that manufacture or bottle no more than 10,000 gallons of beverages annually flexibility in the method by which they clean and sanitize reusable glass beverage containers, as long as they use the required 3% caustic alkali sanitizing solution. The amendment also permits small nonalcoholic beverage producers to bottle and carbonate their products by hand, rather than through the use of machinery, as long as all other statutory sanitary requirements for beverage manufacturing and bottling plants are met.
