LD 1404 An Act To Ensure Integrity of For-profit Colleges and Universities

Veto Sustained

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
VITELLI E POULIOT M	OTP-AM	S-204

This bill requires annual review of for-profit colleges by the State Board of Education to ensure that they are meeting adequate educational standards. If the board finds that a for-profit college is not meeting the standards, the board may terminate the degree-granting authority of a for-profit college.

Committee Amendment "A" (S-204)

This amendment makes the following clarifications and changes to the bill.

1. It clarifies that the bill applies to for-profit colleges and universities.
2. It clarifies that the required accreditation requirements for-profit colleges and universities must satisfy are regional accreditations.
3. It adds a requirement that student support services, including the process by which student complaints are handled, be reviewed as part of the evaluation by the State Board of Education to determine whether adequate educational standards are being met by a for-profit college or university.

LD 1416 An Act To Amend High School Diploma Standards

Accepted Majority (ONTP) Report

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SAMPSON H	ONTP OTP-AM	

This bill amends the requirements for a high school diploma and adds new subjects to those requirements. It repeals the sunset and application provisions of the high school diploma standards in the Maine Revised Statutes, Title 20-A, section 4722. It requires the Department of Education to adopt rules establishing pathways by which students may demonstrate achievement of high school diploma standards by documentation of college readiness assessment standardized test scores, combinations of GPA and academic and career indicators and advanced placement examinations and course grades.

Committee Amendment "A" (H-444)

This amendment is the minority report of the committee. The amendment changes the bill's proposed number of years that courses must be provided from four years to three years for the subjects of social studies and history, mathematics and science, which are required to receive a high school diploma. The amendment also provides ongoing funding to school administrative units for 90% of the cost of increasing secondary school requirements for mathematics, social studies and science by one year.

This amendment was not adopted.
