website.

7. It establishes the Child Care Appeal Review Panel to review disputes related to the licensing and certification of child care facilities. This includes revocations, suspensions, denials, demotions to conditional status, rule compliance issues and denials of requests for alternative compliance methods. The review panel members are appointed by the Governor for five-year terms. The director of the office of licensing and regulatory services within the department is the chair of the panel but does not vote. The Office of the Attorney General provides legal counsel to the review panel. The department is required to abide by decisions made by the review panel.

8. It allows a child care provider to employ on a provisional basis an employee for 90 days before receiving a background check report from the Background Check Center.

9. It requires the department to develop a sliding scale plan to allow recipients of child care subsidies to keep part of the subsidy for a period of time after the recipient earns sufficient income to no longer be eligible for the subsidy. The Joint Standing Committee on Health and Human Services is authorized to report out a bill relating to eliminating the so-called welfare cliff with respect to child care subsidies after receiving the plan.

10. It requires the department to make a number of changes to rules governing licensed child care facilities and certified family child care providers regarding staff-child ratios, qualifications of staff, providing inspection reports to facilities at the time of inspection, removing requirements for references for owners and staff, removing requirements of spare clothing and removing specific requirements for the type of food provided.
