CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SANDERSON D	OTP-AM	H-396

This bill eliminates the requirement that the State Fire Marshal inspect a family foster home and certify that it meets all elements of the fire safety code before the Department of Health and Human Services may issue a license to operate as a family foster home. The bill moves the inspection responsibility to the Department of Health and Human Services, which is directed to adopt rules governing the method of inspection.

LD 1495 An Act To Break the Generational Cycle of Domestic Violence

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HEAD F BRAKEY E		

This bill provides that a nonprofit organization that provides counseling and educational services to children who are affected by domestic violence and that receives referrals from a parent, guardian or relative of a child affected by domestic violence or a school, law enforcement agency, health care organization, health care provider or domestic violence resource center may apply to the Department of Health and Human Services for funding for these services. The bill directs the department to divide the State into eight regions for purposes of providing funding to these nonprofit organizations and to provide funding in all eight regions. In determining which nonprofit organizations to fund, the department must consider, among other factors, how much money each nonprofit organization spends on administration versus direct services and must give special consideration to nonprofit organizations that minimize administrative expenses and to nonprofit organizations in rural areas. Services provided by the nonprofit organization must be targeted to children who are two years of age or older and under 12 years of age. The bill provides that the department must report on the implementation of these provisions to the joint standing committee of the Legislature having jurisdiction over public safety matters and the joint standing committee of the Legislature having jurisdiction over health and human services matters no later than November 7, 2018.

This bill was carried over to any special or regular session of the 128th Legislature by joint order, H.P. 1138.

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>

This bill establishes the Behavioral Health Oversight Council to review reimbursement rate-setting for certain behavioral health services provided under MaineCare and advise the Commissioner of Health and Human Services, the Commissioner of Corrections and the Commissioner of Public Safety regarding the behavioral health system in the State. It sets out requirements for reimbursement rate-setting to be used by the Department of Health and Human Services to determine rates for certain behavioral health services provided under MaineCare. It directs the Department of Health and Human Services to amend its rules in Chapter 101: MaineCare Benefits Manual, Chapter III, Sections 13, 17, 23, 28, 65 and 97 to increase reimbursement rates by fiscal year 2018-19 to reflect a 20% increase from rates in fiscal year 2008-09.

Committee Amendment "A" (H-491)

This amendment, which is the majority report of the committee, strikes the bill and makes it a resolve. The amendment retains the section in the bill that increases reimbursement rates by June 1, 2018. The increase in that section is changed from 20% to 2%, which must be applied to employee wages and benefits. The amendment specifies that increases to Section 97, Private Non-Medical Institution Services include only Appendix B and Appendix E. The amendment adds an appropriations and allocations section.

This bill was reported out of committee and then carried over to the next special or regular session of the 128th Legislature on the Special Appropriations Table by joint order, S.P. 601.
