LD 1608 An Act To Support Employment Opportunity in Maine Veto Sustained

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PARKER J CARSON B	OTP-AM ONTP	H-461

This bill prohibits the State from seeking to obtain or inquiring about the credit history of a prospective employee or requiring that a prospective employee provide a credit history as a condition of employment.

Committee Amendment "A" (H-461)

This amendment is the majority report of the committee. The amendment provides three exceptions from the provision in the bill that prohibits the State from seeking to obtain or inquire about the credit history of a prospective employee or require that a prospective employee provide a credit history as a condition of employment when: the position involves a fiduciary responsibility to the State, the position is a law enforcement position or the State is otherwise required by federal law to obtain a credit history. The amendment also clarifies the definition of state employment to include employment in the legislative, executive or judicial branch of State Government but not include employment in other governmental or quasi-governmental entities.
