Joint Standing Committee on Education and Cultural Affairs

retains the portion of the law that establishes the system administration allocation at \$135 per pupil for fiscal year 2017-18 and repeals provisions that increase for future fiscal years the per-pupil amount and restrict allocation of portions of the funds to school administrative units that have established regionalized administrative services.

Committee Amendment "A" (S-414)

This amendment, which is the majority report of the committee, strikes and replaces the bill. The amendment retains the portion of law that establishes the system administration allocation at \$138 per pupil for fiscal year 2018-19. The amendment modifies the law that establishes the system administration allocation for fiscal year 2019-20 and subsequent fiscal years by continuing the same per pupil allocation as the 2018-19 allocation and by revising the eligibility for receiving a portion of the system administration allocation to also include school administrative units that are identified as high-performing, efficient school administrative units by a statewide education policy research institute due to their percentage of system administration expenditures.

Committee Amendment "B" (S-415)

This amendment, which is the minority report of the committee, strikes and replaces the bill. Like the bill, the amendment amends the system administration allocation law by striking the requirement that, beginning in fiscal year 2019-20, a portion of the system administration allocation must be allocated to school administrative units that have established regionalized administrative services. Instead, the amendment provides that only school administrative units that have established regionalized administrative services and school administrative units that are identified as high-performing, efficient school administrative units by a statewide education policy research institute due to their percentage of system administration expenditures are eligible for the allocation. The amendment also retains the portion of the law that establishes the system administration allocations for fiscal year 2018-19, which is repealed in the bill.
