The effective date for legislation enacted as an emergency measure may be found in the enacted law summary for that legislation.

Joint Standing Committee on Agriculture, Conservation and Forestry

charged a fee, and that a vendor or owner of a private party burn permit software may not charge a municipality for use of that software; and

6. Establishes that a person may not be required to apply for a permit to burn using private party burn permit software, but may apply as otherwise provided by law.

The amendment also adds an emergency preamble and an appropriations and allocations section to the bill.

Senate Amendment "A" To Committee Amendment "A" (S-517)

This amendment restores the provision that requires a person to pay a \$7 fee when that person applies for and is issued a permit electronically using the system developed by the State to issue burn permits.

Enacted Law Summary

Public Law 2017, chapter 449 does the following:

1. Allows a person who is issued a burn permit electronically to produce the permit on an electronic device;
2. Requires the Director of the Bureau of Forestry within the Department of Agriculture, Conservation and Forestry to allow municipalities to use burn permit software acquired from a private party to issue a permit to burn if issuance of the permit using the private party burn permit software meets certain statutory requirements;
3. Limits the number of private party burn permit software programs that may be approved and in operation in the State to two private systems. To be approved, the vendor or owner of the private party burn permit software must submit a request for review to the director. The director must approve or deny approval of the software within 10 business days. If the director denies approval of the software, the director must notify the vendor or owner of the reasons why in writing;
4. Establishes that a person who uses private party burn permit software to apply for a permit to burn may not be charged a fee, and that a vendor or owner of a private party burn permit software may not charge a municipality for use of that software; and
5. Establishes that a person may not be required to apply for a permit to burn using private party burn permit software, but may apply as otherwise provided by law.

Public Law 2017, chapter 449 was enacted as an emergency measure effective July 9, 2018.
