Joint Standing Committee on Agriculture, Conservation and Forestry

LD 1844 An Act To Provide the State the Right of First Refusal for the Purchase of Certain Land on Which a Subsidy Has Been Paid

**Died On
Adjournment**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JACKSON T MARTIN J	OTP-AM ONTP OTP-AM	

This bill was reported out of committee during the Second Regular Session of the 128th Legislature and carried over to the next special session by joint order S.P. 748.

This bill requires the owner of a parcel of land that is at least 2,500 acres and that is enrolled in the Maine Tree Growth Tax Law program or is subject to the farm and open space tax law who receives an offer from a person who is not a resident of the United States to buy that parcel of land, prior to accepting the offer, to provide the State with notice of the offer. The State has 30 days to purchase the parcel of land at the price offered to the owner. If the State does not exercise its right to purchase the parcel of land, the owner may sell the parcel of land but at no less than the price offered to the State. If the State exercises its right to purchase the property, notwithstanding any provision of law to the contrary, the State is required to pay the taxes assessed on that property to the assessing authority.

Committee Amendment "A" (S-447)

This amendment is the majority report of the committee and strikes and replaces the bill.

This amendment establishes the State's right of first refusal regarding property that is more than 5,000 acres, subject to the Maine Tree Growth Tax Law program and not owned by or held in trust for a federally recognized Indian tribe in this State. The right of first refusal does not apply if the purchaser is an immediate family member. An owner who receives an offer must notify the Department of Agriculture, Conservation and Forestry of the proposed sale and the terms and conditions of the sale. The department may notify the Governor and the Legislative Council. The department has 10 business days to obtain funds to make the purchase. If the State exercises its right of first refusal, the property is nonreserved public land subject to the requirements of the Maine Revised Statutes, Title 12, chapter 220, subchapter 3 and does not change its classification under the Maine Tree Growth Tax Law. The Bureau of Parks and Lands within the department must manage the property in accordance with the Maine Tree Growth Tax Law and, using funds appropriated for that purpose by the Legislature, must make payments in lieu of taxes in an amount equal to the amount that would be paid by a private landowner to the assessing authority. If the State does not exercise its right of first refusal, the owner may sell the property to any purchaser. The department is required to adopt major substantive rules to implement these provisions.

Committee Amendment "B" (S-448)

This amendment is the minority report of the committee and is the same as the majority amendment, except that it provides that if the State does not exercise its right of first refusal, the owner may sell the property to any purchaser but at no less than the price provided to the department pursuant to Title 36, section 581-H, subsection 3 and if the owner decreases the price, the owner must resubmit the information in accordance with subsection 3.
