## *Joint Standing Committee on Taxation*

This bill provides an income tax credit for certain student loan repayments made by the Finance Authority of Maine or an entity managed or administered by the Finance Authority of Maine. The credit is equal to the amount an individual is required to include in federal adjusted gross income as the result of student loan payments made directly to the individual's student loan lender by the Finance Authority of Maine, or an entity managed or administered by the Finance Authority of Maine, for residents of the State employed by a business located in the State multiplied by the individual's highest federal marginal income tax rate.

### **Committee Amendment "A" (S-219)**

This amendment strikes the the bill and replaces the title. The amendment provides an income tax deduction for student loan payments made directly to a lender on behalf of a taxpayer by a student loan repayment program funded by a nonprofit foundation and administered by the Finance Authority of Maine for residents of the State employed by a business located in the State. The amendment also adds an appropriations and allocations section.

This bill was reported out of committee and then carried over to any special or regular session, or both, of the 129th Legislature on the Special Appropriations Table by joint order, H.P. 1322.
