## *Joint Standing Committee on Health and Human Services*

This bill directs the Department of Health and Human Services to create additional intensive case manager positions so that counties that do not have a county jail or regional jail will have an intensive case manager. An intensive case manager oversees persons who are detained by a law enforcement officer and who have intellectual disabilities or mental health conditions or have misused substances and connects them to the services for which they qualify, works with the court system to ensure that they receive due process and speedy trials and assists persons who qualify for the MaineCare program to apply for and receive MaineCare benefits and services while being detained or incarcerated, including during the implementation of diversion and reentry plans.

### **Committee Amendment "A" (H-196)**

This amendment, which is the unanimous report of the committee, replaces the bill. It provides funding for four additional Intensive Case Manager positions in the Department of Health and Human Services.

This bill was reported out of committee and then carried over to any special or regular session, or both, of the 129th Legislature on the Special Appropriations Table by joint order, H.P. 1322.

This bill allows an eating establishment to permit smoking tobacco in a designated outdoor eating area if no one under 21 years of age is allowed in the designated outdoor eating area.

### **Committee Amendment "A" (H-62)**

This amendment, which is the minority report of the committee, replaces the bill. It amends the laws about smoking in public places to not prohibit smoking in an outdoor eating area of an eating establishment as long as no one under 21 years of age is permitted in the outdoor eating area. It requires an eating establishment that allows smoking to prohibit employees of the eating establishment from providing dining and beverage service in an outdoor eating area, require its patrons to obtain and purchase food and drink in an area of the eating establishment that prohibits smoking and maintain and enforce policies that limit the circumstances in which employees of an eating establishment may enter an outdoor eating area during the times in which smoking is allowed.

This amendment was not adopted.
