An Act To Establish Wage and Employment Parity between Adult and Child Protective Services Caseworkers in the Department of Health and Human Services

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
RECKITT L	ONTP OTP-AM	H-139 H-549 MADIGAN C

This bill requires the Department of Health and Human Services to provide at least one week of training to new employees engaged in adult protective services. It requires the number of supervisory positions in adult protective services and child protective services to be identical. It provides funding for the recruitment and retention of employees in Adult Protective Services Caseworker positions and Adult Protective Services Caseworker Supervisor positions with a \$5 per wage-hour stipend payment.

Committee Amendment "A" (H-139)

This amendment, which is the minority report of the committee, amends the bill to require the Department of Health and Human Services to provide at least one week of training to any employee engaged in adult protective services instead of to only new employees. It clarifies that it is the ratio of supervisors to caseworkers, instead of the number of supervisors, that must be identical in adult protective services and child protective services. The amendment also provides that Adult Protective Services Caseworker positions, Adult Protective Services Caseworker Supervisor positions, Adult Protective Services Public Service Manager I positions and Adult Protective Services Public Service Manager II positions receive a \$1 per wage-hour stipend for employees holding or obtaining a relevant master's degree. It provides that the \$5 per wage-hour stipend payment and \$1 per wage-hour stipend payment authorized for Adult Protective Services Caseworker positions, Adult Protective Services Caseworker Supervisor positions, Adult Protective Services Public Service Manager I positions and Adult Protective Services Public Service Manager II positions must be considered part of those employees' base pay for purposes of transfers, promotions, cost-of-living adjustments, merit increases and collectively bargained wage increases. The amendment also replaces the appropriations and allocations section.

House Amendment "A" To Committee Amendment "A" (H-549)

This amendment removes language requiring the Department of Health and Human Services to provide at least one week of training to new employees and removes language regarding the ratio of supervisors to caseworkers. It provides funding to support the recruitment and retention of certain employees in the Department of Health and Human Services, Office of Aging and Disability Services with a stipend payment of up to \$5 per wage-hour and an additional \$1 per wage-hour stipend payment for employees holding a relevant master's degree.

This bill was reported out of committee and then carried over to any special or regular session, or both, of the 129th Legislature on the Special Appropriations Table by joint order, H.P. 1322.
