LD 711 An Act To Allow Certain Employees To Return to Participation in the Maine Public Employees Retirement System

ENACTED LAW SUMMARY

Current law provides that a member of the Participating Local District Retirement Program on the date on which an employer offers an alternative retirement program may make a one-time irrevocable election to remain under that program or to join the alternative retirement plan offered by the employer. Public Law 2021, chapter 90 provides that such an election is not irrevocable and that an employee of a participating local district may elect to rejoin the Participating Local District Retirement Program if the employee is covered by a plan provided by the employer with an employee contribution rate that is not lower than the employee contribution rate for the applicable plan under the Participating Local District Retirement Program and the employee's membership otherwise complies with the United States Internal Revenue Code as applicable to governmental qualified defined benefit plans.

Public Law 2021, chapter 90 was enacted as an emergency measure effective June 8, 2021.
