JOINT STANDING COMMITTEE ON ENVIRONMENT AND NATURAL RESOURCES

initially generated within the State. After receiving the report, the joint standing committee may report out legislation to implement any such recommendations.

LD 1801 An Act To Modify Exemptions for Certain Storm Water Discharges to Class AA and SA Waters

ENACTED LAW SUMMARY

Public Law 2021, chapter 503 amends the law governing exemptions for storm water discharges to Class AA and Class SA waters and provides that certain segments of waters classified as Class AA and Class SA are not designated as outstanding national resources.

Public Law 2021, chapter 503 was enacted as an emergency measure effective March 16, 2022.

LD 1809 An Act To Allow Exceptions to the Height Limitations under the Shoreland Zoning Laws

ENACTED LAW SUMMARY

Public Law 2021, chapter 504 amends how the height of an existing principal or accessory structure, including a legally existing nonconforming structure, located in the shoreland zone is measured when the structure is also located in an area of special flood hazard and there is a minimum elevation required for structures by a local floodplain management ordinance. It specifically allows for an exception to shoreland zoning height requirements for legally existing nonconforming structures located in an area of special flood hazard in order to be consistent with a local floodplain management elevation requirement.

LD 1826 An Act To Require Reporting by the Interagency Task Force on Invasive Aquatic Plants and Nuisance Species Regarding Recommendations To Reduce the Threat of Further Infestations

ENACTED LAW SUMMARY

Public Law 2021, chapter 522 amends the statute governing the Interagency Task Force on Invasive Aquatic Plants and Nuisance Species to require that, on or before January 15, 2023, and biennially thereafter, the task force submit to the Department of Environmental Protection, the Department of Inland Fisheries and Wildlife, the Department of Marine Resources and the joint standing committees of the Legislature having jurisdiction over environment and natural resources matters, inland fisheries and wildlife matters and marine resources matters a report containing its findings and recommendations, including any suggested legislation, on a variety of matters relating to controlling the introduction of invasive aquatic plants and nuisance species in the State. After reviewing the report, each joint standing committee may report out legislation related to the report.
