JOINT STANDING COMMITTEE ON TAXATION

Part C makes the following changes to the income tax laws.

1. It updates the exclusion from the calculation of payments to the Loring Job Increment Financing Fund to also exclude state income withholding taxes that are based on the gross wages used to calculate the Maine Employment Tax Increment Financing Program benefit.
2. It clarifies that “reviewed year” in the laws governing income taxation of partnerships includes the taxable year of a partnership that files an administrative adjustment request from which federal adjustments arise.
3. It specifies that the original due date for calculating interest and penalties of any partnership income tax as a result of a federal adjustment from a partnership audit or administrative adjustment request is the 15th day of the third month following the end of the taxable year of a partnership that was subject to the partnership-level audit or administrative adjustment request.
4. It corrects a cross-reference in the laws governing employment tax increment financing to reference a qualified Pine Tree Development Zone business.
