LD 679 An Act to Increase the Funding to the Live Fire Service Training Facilities Fund

Public Law 2025, chapter 750 provides \$500,000 in one-time funding for the Maine Fire Services Institute for the construction and repair or replacement of regional fire service training facilities in the State for fiscal year 2026-27.

LD 740 Resolve, to Study Methods for Improving Youth Community Supervision and Increasing Juvenile Diversion from Formal Judicial Processing

Resolve 2025, chapter 175 directs the Department of Corrections to convene a task force to study methods for diverting youths safely from formal judicial processing and to recommend improvements to existing community supervision practices. By January 1, 2028, the department must provide an update to the joint standing committee of the Legislature having jurisdiction over criminal justice and public safety matters. The joint standing committee may report out legislation based on the update to the Second Regular Session of the 133rd Legislature.

LD 882 An Act to Protect Communication with Providers of Critical Incident Stress Management and Peer Support

Public Law 2025, chapter 678 makes changes to the laws regarding critical incident stress management and peer support for providers of emergency care and critical incident response services as follows.

1. It repeals provisions of law regarding critical incident stress management teams.
2. It defines “peer support” as a type of service distinct from critical incident stress management services and broadens the scope of the communications protected as confidential to include communications related to the provision of either type of service to an affected person, which is defined as a member or employee of an organization or agency providing certain safety or emergency care or response services. Under prior law, only communications related to critical incident stress management were protected.
3. It designates communications of providers of critical incident stress management and peer support services as confidential communications.
4. It authorizes providers of critical incident stress management and peer support services to disclose information that is otherwise confidential if the disclosure is required by law or the provider of critical incident stress management or peer support services reasonably believes, in the provider’s judgment, that an affected person presents a danger to the affected person or to others.
5. It requires that a peer support person be trained in accordance with accepted best practices and that a peer team be trained through an organized peer support training program that meets or exceeds peer support training standards adopted by the International Association of
