ENACTED LAW SUMMARY

Public Law 2025, chapter 357 allows a gun shop to take possession of a firearm owned by a person if the gun shop enters into a written firearm hold agreement with the owner and contacts the owner every six months. The firearm hold agreement must indicate a family member or other individual who may lawfully possess a firearm and will take possession of the firearm upon proof of the death of the owner of the firearm during the pendency of the firearm hold agreement. The law prohibits an action from being brought against a person for refusing to enter into a firearm hold agreement.

The factors involved in the determination are not elements of the criminal offense or civil violation and the determination is not subject to judicial review.
