LD 1231 An Act to Require Legislative Approval of Proposed Permanent Changes to the Overnight Docking of State Ferries on Islands

ENACTED LAW SUMMARY

Public Law 2025, chapter 282 requires the Department of Transportation to seek legislative approval prior to permanently changing the overnight docking practices of a state-owned ferry vessel that docks on an island served by the Maine State Ferry Service by submitting legislation to the joint standing committee of the Legislature having jurisdiction over transportation matters. It allows the department, without seeking legislative approval, to require such a ferry vessel to temporarily dock at a mainland port or an alternative island port for an emergency situation or another significant operational need.
