To Elbert D. Hayford, State Auditor  
Re: Tank Car Lots or Piped Gasoline

. . . It seems to me that the express<sup>ly</sup> "tank car lots" in the gasoline tax law refers to purchases in tank cars.

A purchase by pipe line from a source of supply within the State of an amount equivalent to the amount which a tank car holds would not be a purchase in a "tank car lot".

Clement F. Robinson  
Attorney General
