Honorable Frank H. Holley
State Tax Assessor
Augusta, Maine

Dear Sir:

In response to the oral inquiry recently made by Inspector Harwood, with reference to the sale of motor oil in containers such as are being sold by Montgomery-Ward and others in small packages properly labeled, I would suggest that I do not find any requirement in our law which compels them to submit to the State Tax Assessor, samples or specifications of such fuels or oils as they desire to distribute.

The provisions of our law in this regard appear to apply only to the distribution of internal combustion, lubricating oils or similar products at wholesale, and does not seem to apply to retailers, making such distribution.

Very truly yours,

Deputy Attorney General
