Wadleigh B. Drummond, Esquire  
120 Exchange Street  
Portland, Maine

Dear Brother Drummond:

I very much regret to have to say that I have not been able to reach any different conclusion in regard to the State borrowing money from the R.F.C. for pulpwood operations.

It seems to me that our Constitution prevents the Governor and Council from pledging the credit of the State for any such purpose.

I talked with the Governor on Friday about it and he seemed to be of the same opinion.

Sincerely yours,

Deputy Attorney General
