September 21, 1933

TO THE GOVERNOR AND COUNCIL:

Should the Governor and Council and the Highway Commission find that under the annexed decision of the court with refernce to the meaning of the word "bridge", that the proposed widening was to the approach, and that the same was necessary to put such approach in good and suitable condition for traveling thereon, it is probable that the could make the proposed change and use a portion of the "tolls" in payment therefor.

Respectfully,

Deputy Attorney General

SLF H
